

From Jefferson Symphony Orchestra

The Jefferson Symphony Association Development Committee seeks donations to the Dr. William Morse Conductor's Endowment, a fund established in recognition of Morse's 23 years of efforts associated with conducting the Jefferson Symphony.

Since 1998, Dr. Morse has exemplified vital leadership, and he continues to deliver music from the orchestra to the greater Jefferson County community. The purpose of the fund is to create an annual income to support current and future orchestra conductors' projects in perpetuity.

Contributions to the fund can come in any form from direct contribution, to IRA contribution, to Legacy gifting. Visit our donations and gifting page from jeffsymphony.org to start your support today.
